## **International Women's Day (IWD)**

is a global holiday celebrated annually on **March 8** as a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women.

What will you embrace?

Being included, and belonging, feels good. When **we embrace** equity, we embrace diversity, and we embrace inclusion. We embrace equity to forge harmony and unity, and to help drive success for all. Equality is the goal, and equity is the means to get there. Through the process of equity, we can reach equality.
